

REMARKS

The claims have been amended to conform to the claims deemed allowable by the Examiner in the Office Action (page 5). The limitations of allowable claims have either been added to the independent claims or have been expanded to be independent claims (with the exception of claims 17-28 and 45-60, which were deemed already allowable as they stand). Some claims were amended to have independent claims start with “A” or “An” and dependent claims start with “The”, for clarity and consistency.

The Applicants respectfully request allowance of the present application.

The Commissioner is authorized to charge any additional fees which may be required or credit overpayment to deposit account no. 12-0415. In particular, if this response is not timely filed, the Commissioner is authorized to treat this response as including a petition to extend the time period pursuant to 37 CFR 1.136(a) requesting an extension of time of the number of months necessary to make this response timely filed and the petition fee due in connection therewith may be charged to deposit account no. 12-0415.

I hereby certify that this document is being transmitted to the Patent and Trademark Office via electronic filing.
